about the student, remove their
items and delete the student

04. REWARDS

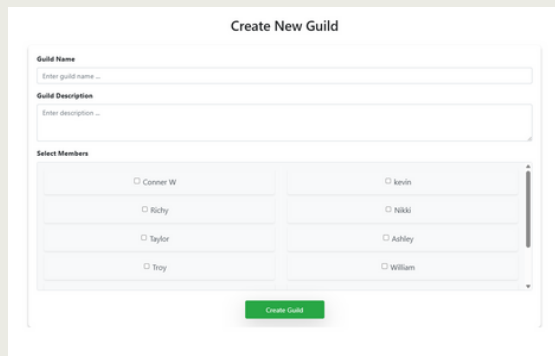

This is the shop page
Admin is remove any rewards
while student can buy rewards

This is where admins can add
items into the reward shop

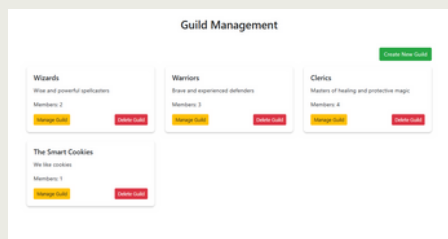

They are able to give the item a
name, price and upload an image.

05. GUILDS

The 'Create New Guild' form includes fields for 'Guild Name' and 'Guild Description', both with placeholder text 'Enter guild name...' and 'Enter description...' respectively. Below these is a 'Select Members' section with a list of checkboxes and names: Conner W, Richy, Taylor, Troy, Kevin, Nikki, Ashley, and William. A green 'Create Guild' button is at the bottom.

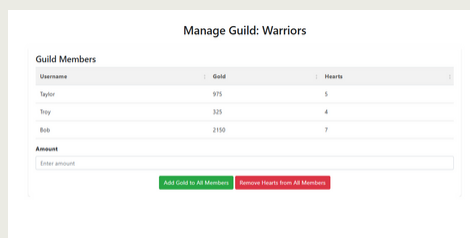

This is the create guild page
Admin is able to group students
into guilds and name them

The 'Guild Management' dashboard shows four guild cards: 'Wizards' (2 members), 'Warriors' (2 members), 'Clerics' (2 members), and 'The Smart Cookies' (1 member). Each card has a 'Manage Guild' button and a 'Delete Guild' button. A green 'Create New Guild' button is in the top right corner.

This is where admins can manage
guilds

They are able to delete them or
look into details about a guild

The 'Manage Guild: Warriors' page features a table of guild members and an 'Amount' section.

Username	Guild	Hearts
Taylor	975	5
Troy	325	4
Bob	2150	7

Below the table is an 'Amount' section with a text input 'Enter amount' and two buttons: 'Add Gold to All Members' (green) and 'Remove Hearts from All Members' (red).

This is where admins can add
gold or remove hearts for the
entire group of students
